- Voltage: 220-240 V
- Iron wattage : 800 W
- Boiler wattage : 1370 W
- Start-up time: 2 minute(s)

Weight and dimensions
- Dimensions: L445xW245xH326 mm
- Weight: 6.6 kg
- Pallet: tbd pcs

Product highlights

Auto Calc Clean function
The Auto Calc Clean function automatically cleans your ironing system from calc. A 2-minute scale removal cycle is activated automatically when it is time to clean your system. All you have to do is empty the detachable rinse tank. It keeps your system as new and powerful as the day you bought it.

Ergonomic Iron
The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel.
